

Hope for children, Healing for mothers

I have given the gift of hope and education to children in Rwanda in your honor. This gift will help sponsor school fees, books, pens, shoes, uniform, and transportation for a child in need.

Foundation Rwanda's mission is to sponsor education of children born from rapes during the 1994 genocide in Rwanda, to link their mothers to income generating activities and the medical and psychological support, and to use photography and new media to raise awareness about the consequences of genocide and sexual violence.

For updates on Foundation Rwanda news & upcoming events, or to find out more about how you can continue this gift of education, please visit www.foundationrwanda.org. Together we can make a difference! This contribution in your honor will help give hope and healing to families in need.

With warm wishes,
